

Social Justice Committee

The December 12, 2023 meeting of Social Justice was called to order at 4:45pm in the Parish Center. Five members of the committee were present.

There was discussion on the balance of funds in our account, with a recent weekend Mass loose collection money which should be added to our account. Due to no current parish secretary available parish at this time, we did not have a current balance for the group. Once the new secretary is accumulated to the position, we will contact her for the current balance in our account.

Old Business: A review on the Summer Food Program was discussed. After meeting with the Jesup Ministerial Committee, changes were made to the program, resulting in simplifying the program. We will meet again in April with Ministerial group again prior to starting the program.

New Business: *Judee introduced the idea of possibly introducing our Parish to the Eucharist Revival Program, which she has been involved with in the last year. The program involves a series of on line classes, and some group discussion. Judee will contact the Liturgy Committee and discuss and interest of introducing this series to the Parish. Information on this program and websites will be made available in the future via the Parish Bulletin. The next meeting will be held April 2, 2024, at 4:30 pm in the Parish Center.*

The meeting was then adjourned at 5:45 pm.
