

Social Justice Committee

The May 2, 2023 meeting of Social Justice was called to order at 4:30 pm in the Parish Center. Five members of the committee were present. A notice of resignation was received from Marlene Mangrich, she has been a dedicated member for several years and we thank her for her years of service. Judy Corkery also a long time member has also resigned from the committee in the last year. Both ladies have given several years of service to Social Justice.

Old Business: There was discussion on the Summer Food Program which the Jesup Ministerial Committee along with area churches provide this program. This year St. Athanasius will provide the Mac and Cheese, and monetary donations are being asked to help with the cost involved. St. Athanasius Church will again be the site of delivery pick up for this program.

No new business was discussed, and the meeting was then adjourned at 5:40 pm

Respectively submitted by Jeanette Delagardelle
